SOLID WASTE PROGRAM
SOLID WASTE LOCAL ENFORCEMENT AGENCY (LEA)**

Date of Notice: May 25, 2007

NOTICE OF PUBLIC INFORMATION MEETING

PROJECT NAME:	Fruitridge C&D Recycling Facility
PROJECT TYPE:	Application for a New Solid Waste Facility Permit for a Large Volume Construction/Demolition and Inert Debris Processing Facility
PROJECT NUMBER:	Solid Waste Information System # 34-AA-0220
PROJECT LOCATION:	5980 Outfall Circle, Sacramento, CA 95828
DATE OF HEARING:	Thursday, June 7, 2007
TIME OF HEARING:	6:00pm
LOCATION OF HEARING:	County of Sacramento Environmental Management Department (EMD) 8475 Jackson Road, Training Room 204 Sacramento, CA 95826 (916) 875-8484
SACRAMENTO EMD CONTACT:	Wendy Hoffspiegel, Environmental Specialist, LEA (916) 876-7529
APPLICANT:	Total Compliance Management, Inc.
APPLICANT CONTACT:	Neil S.R. Edgar (916) 739-1700
COMMUNITY PLAN AREA:	South Sacramento
SUPERVISORIAL DISTRICT:	5

Introduction

Please be advised that the Sacramento County Solid Waste Local Enforcement Agency (LEA) will be holding an informational public meeting in compliance with AB 1497 regarding a new Solid Waste Facility Permit for the Fruitridge C&D Recycling Facility. The LEA is certified by the California

Integrated Waste Management Board to enforce state laws and regulations at solid waste facilities within the County of Sacramento.

Description of project and LEA's preliminary determination

The Project Applicant, Total Compliance Management, Inc. seeks to operate a construction/demolition and inert (CDI) debris processing facility on a 3 acre parcel (APN 062-0120-002 and 003) at 5980 Outfall Circle in the City of Sacramento. The owner of the land is Gary M. Kwong, Amy Kwong, Kau Wai Cheung, and Amy Cheung.

The site had previously been operating as a fully permitted CDI processing facility under the name California Concrete Crushing and C&D Recycling. A change in ownership of the land and new operators for both the C&D processing operations and the inert processing operations (which will now become a separate and distinct operation under a different operator, and excluded from permitting, under Title 14 as an Inert Debris Recycling Center) have necessitated that a new full Solid Waste Facility Permit be issued, as required under the Construction/Demolition and Inert Debris Processing Regulations, adopted by the California Integrated Waste Management Board.

The proposed new permit is to allow the design and operation as follows:

- Type of waste: mixed construction/demolition and inert debris
- Maximum tonnage: 500 tons per day
- Traffic volume: 153 vehicles per day
- Hours of operation: Receipt of waste 6:00am – 8:00pm, 7 days per week
Operating/Processing/Grinding 7:00am – 8:00pm, 7 days per week
Maintenance 24 hours per day, 7 days per week

The traffic and tonnage volumes, and hours of operation proposed were inclusive within the previous entitlements granted by the City of Sacramento and the County of Sacramento Environmental Management Department, and do not represent an expansion of the previously permitted operations.

Purpose of the Meeting

This meeting is for interested parties to learn more about the proposed new permit and to provide comments to the LEA regarding the proposed action. As required by State statute, the decision to approve or deny the Solid Waste Facility Permit revision will be made by the LEA within 120 days of the date the application was deemed complete (i.e. May 8, 2007), and will be submitted to the California Integrated Waste Management Board for concurrence at a public meeting. If you wish to be notified of the California Integrated Waste Management Board meeting, please notify the LEA in writing no later than June 15, 2007.

Where to get additional information

A copy of the proposed Solid Waste Facility Permit is available for public review by appointment in the LEA office located at 8475 Jackson Road, Suite 230, Sacramento, CA 95826.

Options for submitting comments and EA Contact Information

If you have any questions after reviewing the above information or would like to schedule an appointment to review the draft Solid Waste Facility Permit and accompanying supporting documents, please contact Wendy Hoffspiegel at (916) 876-7529. If you would like to comment on this project you may do so at the meeting, but if you are unable to attend the meeting, you may send your written comments via email to Wendy Hoffspiegel at HoffspiegelW@saccounty.net, post mail to County of Sacramento Environmental Management Department, 8475 Jackson Road, Suite 230, Sacramento, CA 95826, or fax (916) 875-8513 no later than June 8, 2007.

Appeals Process Information

For information on the appeals process pursuant to PRC Section 44307 after the decision to issue or deny the permit revision(s) has occurred, you may contact Wendy Hoffspiegel at (916) 876-7529.
